Wesley Clover Parks endeavours to provide a healthy environment for all participants both human and equine. Through biosecurity proven good practices such as proof of vaccination for entry, our Healthy Horses Only Policy, an Equine Health Attestation, regular stall disinfection, manure removal, the ability to isolate sick horses, access to veterinary care and hospitalization; Wesley Clover Parks has a venue specific plan in place in the event of illness. The following are our requirements in addition to the EC rule for vaccines already in place.

1. Proof of Vaccines: Proof of vaccines must be emailed to stabling@wesleycloverparks.com indicating the horse's **show name** and date of administration of EHV 1 & 4 and Equine Influenza as per Article A519 (see following page for more details). Competitors failing to meet this requirement will be asked to leave the showgrounds or not permitted entry.

2. Coggins Test: Required for all horses on-site and must be available upon request at show management's discretion.

3. Equine Health Attestation: As part of Wesley Clover Parks' Healthy Horses Only Policy, each owner and/or trainer by making an entry attests that their competing horse(s) to the best of the owner/trainer's knowledge have been in good health with a resting body temperature below 38.6°C, have shown no signs of undiagnosed respiratory illness nor infectious disease; and that they have not been in contact with any other horses (away or at their home facility) exhibiting symptoms or signs of respiratory illness or infectious disease within the last 21 days.

They also agree to continue to monitor their horse's temperature upon arrival and twice daily while on site.

Further, all agree to share knowledge of any stabled horses who exhibit symptoms of infectious disease or have had contact with any other horses who exhibit such symptoms, and agree to immediately inform the Organizer by email at entries@wesleycloverparks.com and inform Tournament Manager Tracy Howard at (613)-298-3854.

SITE ENTRY & BIOSECURITY: Overnight security will be on-site. Braiders and any other service providers are asked to report in with overnight patrol and have parking passes (Ottawa Summer Tournament I & II and Major League Ottawa). In addition to rule A519 Vaccinations, biosecurity measures are in place for horses. It is the service provider's (braider, farrier, physio, sports therapist, etc.) responsibility to ensure safe practices are followed if visiting multiple barns. All grooms, trainers, and competitors are also responsible to follow safe practices if visiting more than one barn and are expected to limit their traffic footprint to their own stable area. The stabling is closed to spectators.

NON COMPETING HORSES: Each horse on the property must be declared. Horses found on the property without an entry form will be charged an additional fine of \$200.

WORKING TOGETHER TO MITIGATE THE RISK OF INFECTIOUS DISEASE SPREAD ON SITE:

- Review and ensure you are prepared for quick implementation of an isolation plan at our competition grounds and/or at your home farm or facility.
- Isolate horses at first signs or symptoms of respiratory illness and contact your vet immediately.
- Any horses with a fever over 39C should isolate in separate facilities on the competition grounds or at separate veterinary facility off-site.
- Keep separate feed buckets, brushes, rags, and tack/equipment for each horse.
- Ask your veterinarian about appropriate sanitizing solutions.
- Eliminate communal or shared water troughs and buckets.
- Practice hand washing in between handling horses.
- Maintain social distancing for horses; no nose to nose contact with other horses.

EQUESTRIAN CANADA STATEMENT OF PRINCIPLES

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction. EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition,

health, comfort and safety as a matter of standard operating procedure.

- Continuing to support scientific studies on equine health and welfare.
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

(A517.2) The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

EQUESTRIAN CANADA COACH STATUS REQUIREMENTS 2024

As of July 1, 2023, the Show Office is required by EC to enforce Coach Status Requirements. Per Equestrian Canada's rules, Canadian residents coaching athletes at EC-sanctioned competitions must meet minimum Coach Status requirements as outlined below:

2024 TEMPORARY COACH STATUS FEES For all levels of EC Sanctioned Events		
I do not have a valid EC Coach Status		
\$175 per event	\$50 per event	Fully qualified - no per event charges applicable

For those who do not meet the minimum requirements, Temporary Coach Status will be available. In 2024, Coach Status requirements will be enforced at all EC-sanctioned events.

Costs of Temporary Coach Status

The fee is determined by the event sanctioning level and the individual coach's EC Coach Status. TCS is valid for one (1) EC-sanctioned event only. The TCS fee will increase annually until it is retired at the end of 2025.

Temporary Coach Status is now Digital!

Temporary Coach Status is now to be purchased directly from EC via the MyEC Portal.

For more information please email coaching@equestrian.ca or visit <https://www.equestrian.ca/programs-services/coaches>.

Please note: Trillium/OVPSC shows as well as Major League Show Jumping at Wesley Clover Parks are dual-sanctioned competitions. This means that those who do not have valid coach status will be required to pay the fine for each EC-sanctioned event that they have students competing in.

EC SPORT LICENSING 2024

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2024: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a designated coach can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form.

“When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments.”

The tragic loss of 23-year-old Julia MacAngus in November of 2022 deeply impacted many lives, especially those who knew her in the equestrian community. Julia started to ride locally at the age of five and began her competitive journey on the Trillium circuit. A talented and well-liked rider, she continued advancing her career competing in the hunter, jumper, and equitation rings on the national circuit. Along the way, Julia was always kind and supportive of others, making many friends. At the young age of 21, Julia fulfilled one of her lifelong dreams by opening her own competitive business under the banner of JM Equestrian. A bright light known for her great passion and enthusiasm for show jumping, she brought her excitement and strong work ethic to each early day, and left with it each late night, even when she was battling her terminal illness. Julia's biggest dream was to be a Grand Prix rider and to represent Canada. Julia's dedication to her horses and her students remained remarkable throughout her final months and she received much love and respect in return. Julia absolutely loved her life and lived with exceptional gratitude. Wesley Clover Parks is honoured to dedicate the season's first Grand Prix in memory of Julia's legacy of commitment, dedication and pure love of the horse and sport of show jumping.
